

**Ami Equipments**

AMI EQUIPMENTS was established in 2000 and since then catering to the automation equipment needs of various industries and world renown companies.

We are the leading specialists in south Indian in the fields of position/motion sensors, counting, process technology , transmission technology and Innovative Sensor solutions.

We deliver these products of our channel partners Kuebler and Leuze.

# OUR PRODUCTS

# Kübler

Ami Equipments

POSITION  
**MEASUREMENT**  
INCLINATION  
MOTION

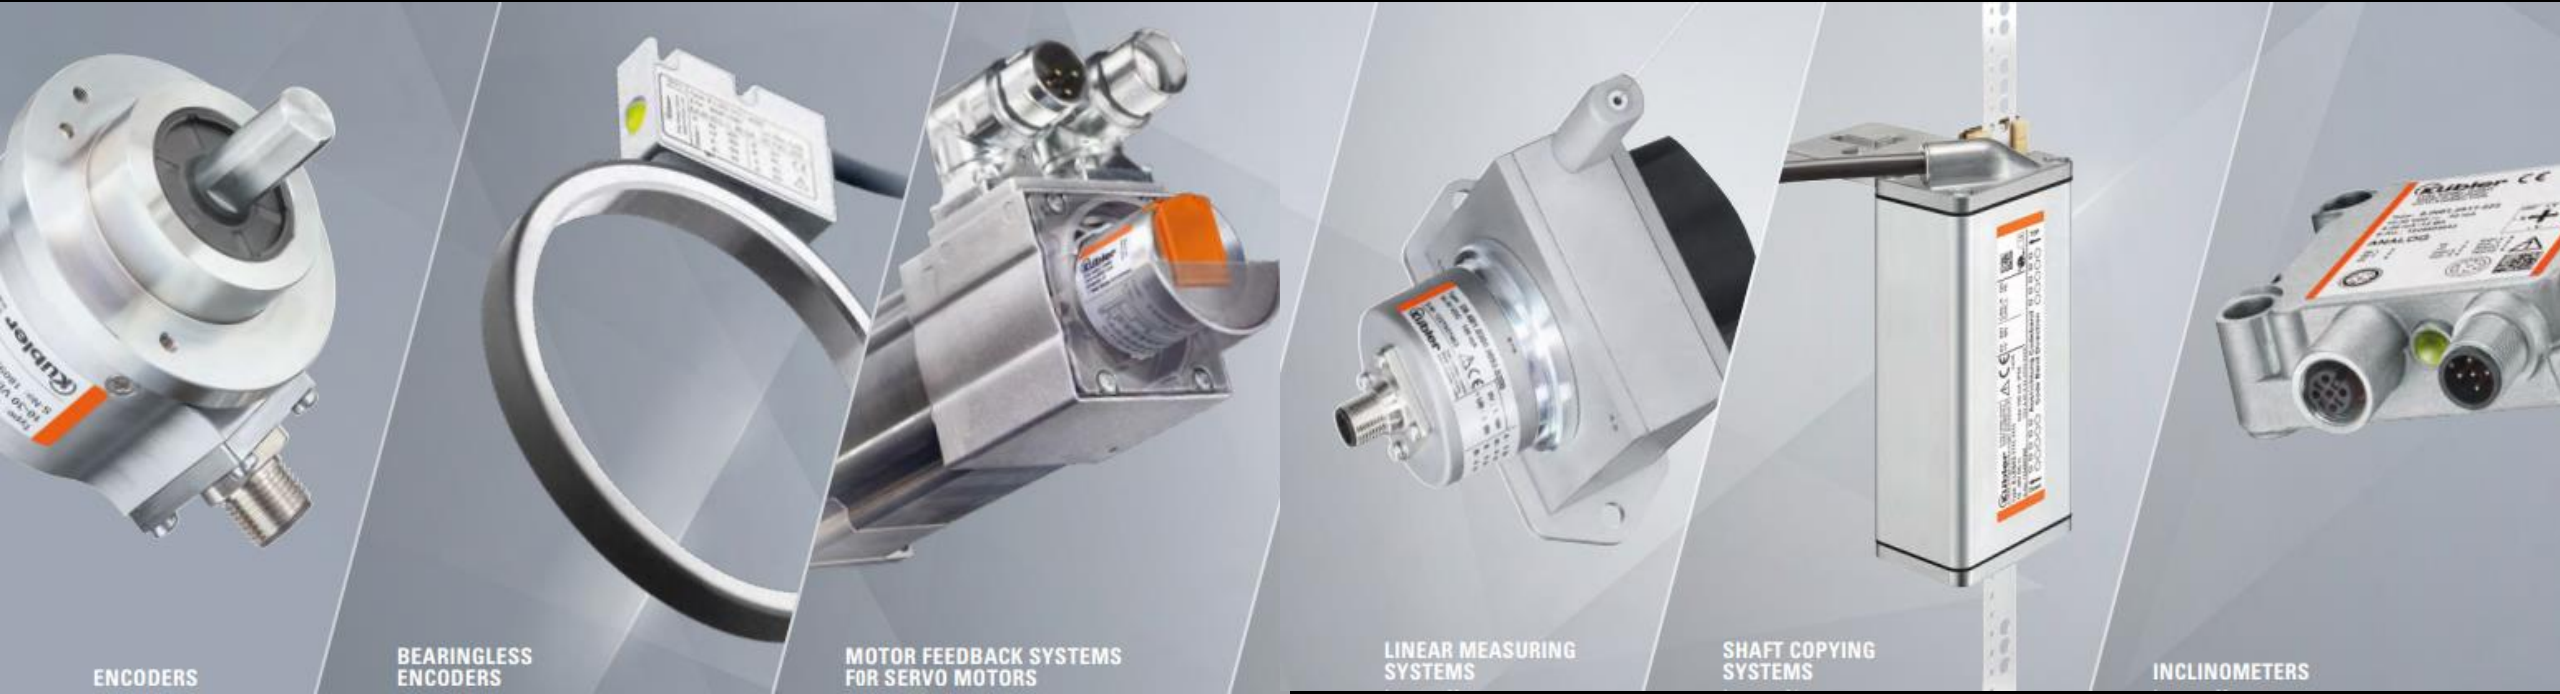

DATA  
SIGNALS  
**TRANSMISSION**  
POWER

CAPTURING  
**EVALUATION**  
CONTROLLING  
COUNTING

# MEASUREMENT

ENCODERS

BEARINGLESS  
ENCODERS

MOTOR FEEDBACK SYSTEMS  
FOR SERVO MOTORS

LINEAR MEASURING  
SYSTEMS

SHAFT COPYING  
SYSTEMS

INCLINOMETERS

Rotary speed and position detection, linear position, and speed measurement as well as inclination angle detection.

# TRANSMISSION

SLIP RINGS  
from page 30

CABLES AND  
CONNECTORS  
from page 34

SIGNAL CONVERTERS AND  
OPTICAL FIBER MODULES  
from page 32

Reliable and interference-free transmission of power, signals, and data. Communication between control system and sensors.

# EVALUATION

DISPLAYS AND COUNTERS

PROCESS DEVICES

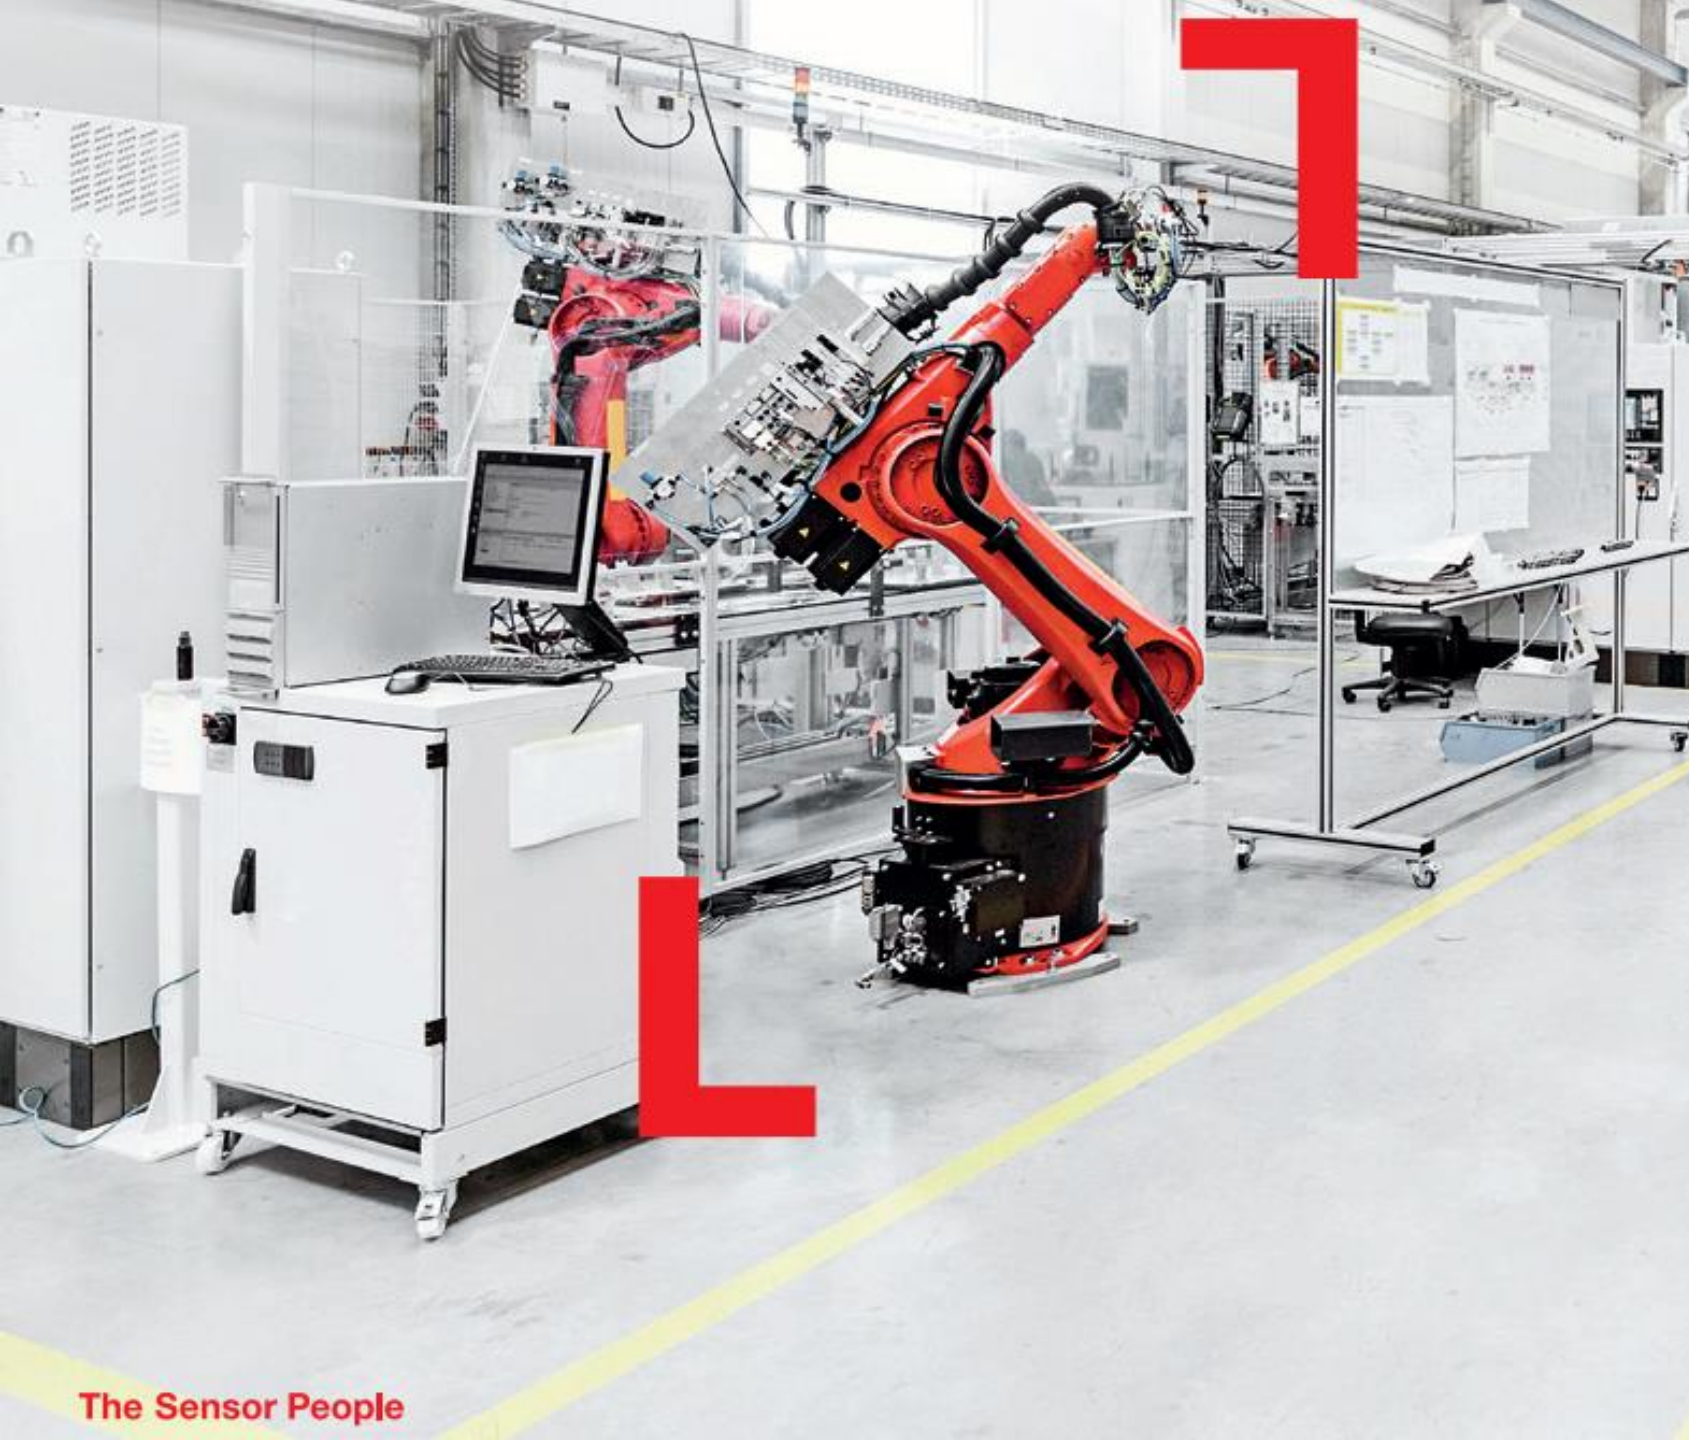

SAFE SPEED MONITORS

Recording of quantities, counting of units of any kind, and reliable speed and position recording for functional safety.

# PROTOCOLS SUPPORTED

# Leuze

The Sensor People

Ami Equipments

---

## Switching sensors

Photoel. sensors / diffuse sensors, cubic housing

Photoel. sensors / diffuse sensors, cylindrical housing

Long-range sensors

Inductive switches

Capacitive sensors

Fiber optic sensors / ultrasonic sensors

Light curtains

Forked sensors

Special sensors

Double sheet monitoring / splice detection

---

## Measuring sensors

Distance sensors

Sensors for positioning

3D-sensors / forked sensors

Sensors for compartment fine positioning

Light curtains / volume measurement system

---

## Data transmission

Optical data transmission

---

## Network and connection technology

Connection technology

Modular connection units

---

## Products for safety at work

Safety laser scanners

Safety light curtains

Multiple light beam safety devices

Protective sensor sets and accessories

Single light beam safety devices

AS-i-safety product range

Safety switches and safety locking devices

Safety proximity sensors

Safety command devices

Safety relays

Programmable safety controls

Machine safety services

# Identification

- Stationary bar code readers
- Stationary 2D-code readers
- RFID systems
- Mobile code readers

---

# Industrial image processing

- Smart cameras

---

# Accessories and supplementary products

- Signaling devices
- Mounting systems
- Reflectors

# Why Ami Equipments?

## ONE STOP SHOP

Full Package of Automation and sensory products without the client speaking to multiple vendors

## SUPPORT TEAM

Large Support Team for technical and onsite

## INSTANT DELIVERY

Delivery to Customer

INTERNATIONALLY USED PRODUCTS WITH HIGH QUALITY

# OUR MARKETS

Automotive  
Industry

Laboratory  
Automation

Elevators  
and  
Escalators

Wind and  
Solar Energy

CNC and  
SPM

Pharmaceuticals

Material  
Handling

Robotics and  
Mobile  
systems

Packaging  
Machinery

Industrial  
Automation

Bottling  
Plants

OEMs

## VISION

To be the largest distributor of Automation technology in South India and Middle East by 2024

## MISSION

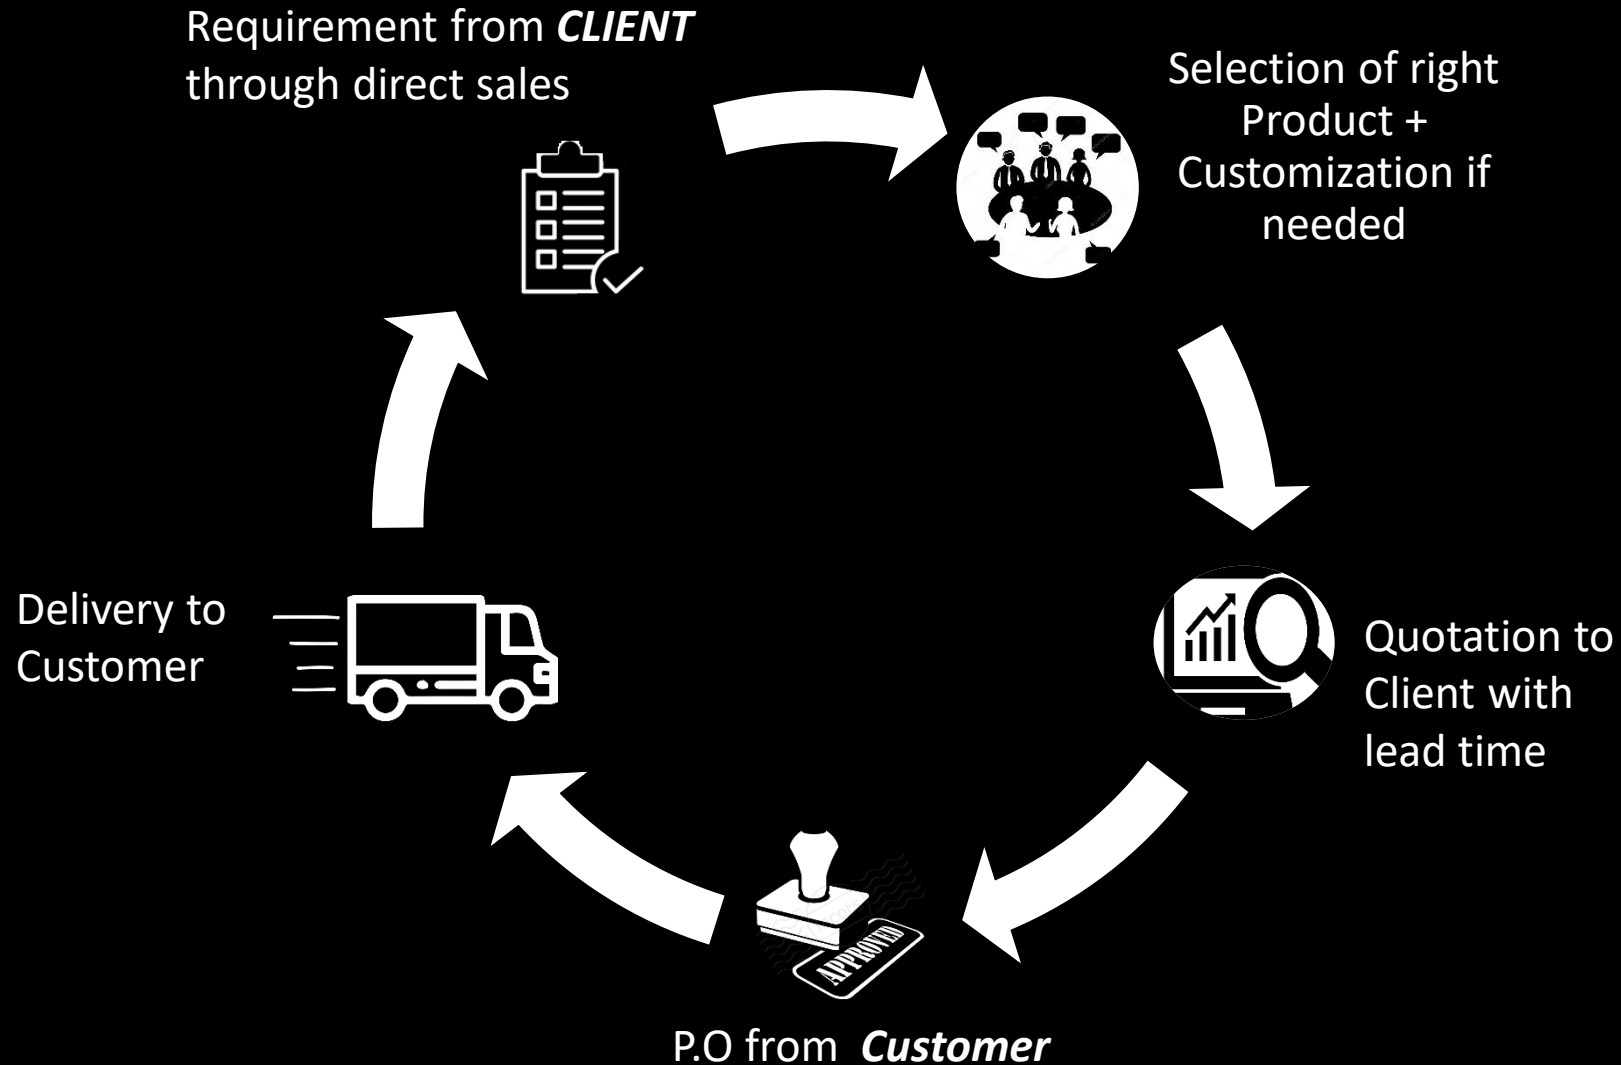

To provide our customers with high grade quality of Automation technology components

## VALUES

- Customer satisfaction
- Maintain High Quality
- One Stop shop for Automation technology
